---

Mr. Wheeler have been supplying wine to weddings in East Anglia and beyond since 1883. The sixth generation of the Wheeler family owns the company, and specialise in sourcing interesting, good value wines from small, innovative producers worldwide.

The personal Mr. Wheeler experience is not to be missed. Nestled in beautiful Constable Country, and easily accessed from the A12, our characterful cellar shop, Mr. Wheeler's Wine Cellar, is within 45 minutes' drive of the M25 and Stansted Airport, and only just over an hour from Cambridge and Norwich. If you're planning on making a special trip, please call ahead to discuss with us your wine preferences, so we can prepare a selection of wines for you to taste.

Come and meet our team of friendly, knowledgeable wine experts, who will be delighted to show you suitable options in our private tasting room. We aim to help you select all your wine needs from reception sparkling wine or Champagne to good wine matches for your chosen menu. Our team can advise on the exact quantities required, and offer sale or return so that you only pay for what is used on the day. We aim to make the wine aspect of your big day easy, fun and stress free and you'll find very generous savings to be made on sealed cases.
