

The Maythorn

When you book your wedding reception at Layer Marney Tower you have the use of a 1931 Rolls Royce 20/25 hp four door limousine, with coachwork by Maythorn and Son of Bedfordshire.

The Maythorn is chauffeur driven and can comfortably seat two or three adults in the main rear seat. It can also seat a further three children or adults using the two occasional seats and chauffeur's compartment. We strongly recommend that your journey time is limited to 30 minutes or a 20 mile radius of Layer Marney Tower.

If you decide to have both your ceremony and reception at Layer Marney Tower, you can enjoy a short drive in the time available between events. Upon your return you will be greeted by your guests for your reception.

With uniformed chauffeur and conservative yet well proportioned coachwork, the Maythorn offers a unique opportunity to enjoy the very best of the past. The magnificent coachwork is finished in black over red, with the Spirit of Ecstasy gracing the famous Rolls Royce Radiator.

Considered by many as the jewel of pre war Rolls Royce models, the 20/25 hp uses the 3669cc cross flow version of the Rolls Royce six-cylinder overhead-valve engine. The resulting ride combines smoothness, silence and a small degree of performance.
